

## President's Award Winner Captain Brady Fries

Flight Operations

**Nomination:** I would like to nominate Captain Brady Fries for the President's Award in recognition of his outstanding initiative and unwavering willingness to step up and help in any way possible.

Most recently, Captain Fries demonstrated exceptional leadership and compassion by organizing generous donations, preparing meals, and personally delivering them to the Air Traffic Controllers during the government shutdown. His thoughtful actions during such a challenging time made a meaningful impact and exemplified the spirit of service. This level of initiative and dedication is something Captain Fries brings to everything he does. His commitment to supporting others and going above and beyond reflects the highest standards of professionalism and care, making him a truly deserving candidate for this honor.
